Internal document. HR department, version 1.4, January 2026

Working hours and shifts

The clinic works in two shifts: the morning shift from 08:30 to 14:30 and the evening shift from 14:00 to 20:00. On Saturday staff work a single shift from 09:30 to 16:30.

Each employee has a 30-minute lunch break, scheduled by the senior administrator so that reception is never left empty.

Attendance

Clock in with your staff card at the reception terminal. If you are going to be late, message the senior administrator in the staff Telegram group at least 1 hour before your shift.

Dress code

Clinical staff wear the clinic's green uniform and closed white shoes. Jewellery on hands and wrists is not allowed in treatment rooms.

Annual leave

Every employee is entitled to 21 calendar days of paid annual leave. Submit leave requests at least 30 days in advance. No more than two dentists may be on leave at the same time.

Sick leave

If you are ill, inform the senior administrator before 08:00 on the first day of absence and bring an official sick leave certificate when you return.

Hand hygiene and gloves

Wash or disinfect your hands before and after every patient. Change gloves for every patient and whenever a glove is torn.

Instrument sterilization

All reusable instruments are cleaned, packed and sterilized in the autoclave. Each autoclave cycle is recorded in the sterilization log with the date, the cycle number and the name of the assistant.

Sharps and waste

Replace the sharps container when it is three-quarters full. Medical waste is collected by a licensed contractor every Tuesday and Friday.

Exposure incidents

Report any needle-stick injury to the chief physician immediately, and no later than the end of your shift.

Employees, their spouses and their children receive a 30% discount on all treatment at the clinic.
