Urgent dental pain

How to book

You can book by phone, in Telegram or at the reception desk. You receive a reminder message the day before your visit.

Arriving for your appointment

Please arrive 10 minutes before your appointment to complete the registration form. If you are more than 15 minutes late, we may need to reschedule your visit.

Cancellation policy

Please cancel or reschedule at least 24 hours before your appointment. Late cancellations and missed appointments are charged a fee of 50,000 UZS. After two missed appointments, future bookings require a 100% prepayment.

Children

Children under 16 must be accompanied by a parent or legal guardian. Our children's dentist sees patients on Tuesday, Thursday and Saturday. We recommend the first check-up at the age of one year.

Payment methods

We accept cash (UZS), Uzcard, Humo, Visa and Mastercard cards, and payments through the Click and Payme apps. Payment is due at the end of each visit.

Installment plan

For treatment plans over 3,000,000 UZS you can pay in installments for up to 6 months with 0% interest. The first payment is 30% of the plan total. Ask the administrator for the installment agreement.

Insurance

We work with corporate voluntary medical insurance programmes. If your insurer is not on our list, you pay at the clinic and we give you an invoice, a payment receipt and a copy of the treatment record for reimbursement.

Treatment estimates

Before any treatment over 1,000,000 UZS your dentist gives you a written estimate. The final cost may not exceed the estimate by more than 10% without your written consent.

Before your visit

Bring your passport or ID card, your insurance card if you have one, and any X-rays taken in the last 12 months. Tell the dentist about all medicines you take.

After a filling

Do not eat for 2 hours after a filling, until the anaesthetic has worn off.

After a tooth extraction

Do not rinse your mouth, drink hot drinks or smoke for 24 hours. Mild pain and swelling for 2-3 days are normal. Call the clinic if bleeding does not stop after 30 minutes of pressure with gauze.

After professional cleaning

Avoid coffee, tea, red wine and other strongly coloured food and drinks for 24 hours.

Treatment warranty

We give a warranty on our work if you attend a check-up and professional cleaning every 6 months:

- Fillings: 2 years
- Crowns and veneers: 5 years
- Dental implants: 10 years (the crown on an implant: 5 years)

The warranty does not cover damage caused by injury, or cases where the dentist's recommendations were not followed.

Feedback and complaints

Send feedback to the clinic manager at feedback@registansmile.example. We reply to every complaint within 5 working days.

Privacy

Your medical records are stored for 5 years after your last visit and are shared only with your written consent or when required by law.
